

BLAZE & The Fire Guardians - Trail of Safe Choices - Wildfire Prevention Activity Book 2

Meet Blaze Again!

Hi friend! It's me, **Blaze**. Today we're going on a *Adventure* to learn how to protect our forests, homes, and animal friends.

Fire-Smart or Not?

Circle the things that are **safe**, and put an X through the things that are **dangerous**.

- A campfire ring made of stones
- Fireworks in the forest
- A bucket of water nearby
- Leaving a fire unattended
- A cleared campsite
- A sparkler near dry grass

Build a Safe Campfire

Fill in the blanks with the right words:

1. Clear away all _____ around the fire pit.
2. Keep _____ and a shovel nearby.

3. Never leave your fire _____.
4. Before leaving, _____, stir, and cool.

Word Bank: water — debris — drown — unattended

Draw Blaze Helping

Draw Blaze doing one of these:

- Putting out a campfire
- Teaching animals about safety
- Carrying a water bucket
- Stopping fireworks in the forest

(Blank space for drawing)

Fire-Smart Quiz

1. What should you bring when having a campfire?

- A bucket of water
- Nothing
- Fireworks

2. When you see smoke in the forest, you should:

- Investigate alone
- Tell an adult or call for help

3. The correct way to put out a campfire is:

- Dirt only
- Water, stir, water again

Create Your Own Safety Poster

Blaze needs YOUR help!

Design a poster that teaches people how to prevent wildfires.

(Blank area for drawing or writing)

Wildfire Ranger Certificate

This certifies that:

Is now an official **Flame Keeper!**

You promise to:

- Respect the forest
- Be safe with fire
- Teach others how to prevent wildfires
